### SICO - High Quality condoms:

- Our factory is certified according to ISO 9001 and ISO 13485
- All SICO condoms are made from natural rubber latex
- They are manufactured on special inhouse-developed "state-of-the-art" machinery
- CPR condoms meet the requirements of many international standards like ISO 4074:2002, WHO 2003 and ISO 10993
- Our products have CE mark and we can also supply products with British Kitemark

# Probe Covers for Ultrasonic Examinations

All our probe covers are not lubricated. They are specially powdered in order to achieve best possible quality during examination and for clear pictures on the screen.

Unfoiled probe covers are available in black polybags of 144 pcs (34mm) and 200 pcs (28mm). Our foiled probe covers, both 34 mm and 28 mm, are packed in a round plastic box of 100 pcs or in a polybag of 1000 pcs.
